

# LEADERSHIP TUOLUMNE COUNTY – LTC

## Application Packet for the Class of 2017/2018

Thank you for your interest in Leadership Tuolumne County (LTC)! The mission statement of LTC is to provide a community-wide effort to ensure a solid base of informed and effective leaders to meet and address the present and future challenges which face Tuolumne County. The ten-month program (September through June) provides an in-depth look at private enterprise, government agencies, organizations, and individuals that make decisions affecting our county every day. This is accomplished through eight monthly topic days, which include Arts, Culture and the Quality of Life, Health and Human Services, Business and the Economy, Government, Law and Justice, Media and Communication, Environment and Land Use, and Education.

Individuals benefit from the LTC program in a number of ways, including: a comprehensive understanding of important community issues and organizations, a chance to meet with community leaders, increased leadership abilities, building a diverse network of informed colleagues and expanding contacts.

**The application deadline August 24, 2017 for the program year beginning on September 2017.**

After receipt of the applications, appropriate candidates will be invited to a 30-minute interview scheduled between **September 5 to 7, 2017**. Notice of acceptance will take place in September.
