

Be a part of this AMAZING program!

How would you like to take the first Thursday of every month, from September through June, to explore and learn about Tuolumne County?

Leadership Tuolumne County (LTC) can give you just such an opportunity.

What is Leadership Tuolumne County?

LTC provides a community-wide program to ensure a solid foundation of informed and effective leaders, in order to meet and address present and future challenges which face the citizens of Tuolumne County.

This program involves ten activity days and participation in a community service project. The topic days will allow you to meet and interact with local leaders and decision makers while learning more about what they do, how they contribute to the county, and how you can make a difference.

The Topic's included are:

- Government • Law & Justice • Education
 - Business & the Economy
 - Media & Communications
- Arts, Culture, and Quality of Life
 - Environment & Land Use
 - Health & Human Services.

Long-time residents of the County, having participated in LTC, have said "we thought we knew everything about the County, but this really gives you a behind the scenes look."

This is your opportunity to define your role in the community and help direct the destiny of Tuolumne County!

This program runs from September to June
